

Clinical Psychologist (Band 8a)

Learning Disability Service – Wiltshire (LDAN)

Are you an experienced Clinical Psychologist with a passion for supporting adults with learning disabilities?

We are looking for a **Band 8a Clinical Psychologist** to join our specialist Learning Disability Service in Wiltshire. Working within a supportive multidisciplinary team, you will provide highly specialist psychological assessment, formulation, consultation and intervention for adults with learning disabilities and complex needs.

About the Role

You will:

- Provide highly specialist psychological assessment and intervention.
- Work with individuals, families, carers and support networks.
- Lead on complex cases involving behaviours that challenge.
- Contribute to Positive Behaviour Support (PBS) and risk management plans.
- Deliver consultation, training and support to professionals and carers.
- Provide clinical supervision to junior psychology colleagues.
- Support service development, audit, research and quality improvement initiatives.
- Take a lead role in managing psychology referrals and waiting lists.
- Work autonomously while contributing to a collaborative multidisciplinary team.

About the Team

The Wiltshire Learning Disability Service provides specialist assessment, advice and therapeutic intervention for adults with learning disabilities and complex health needs. We work closely with health and social care partners across Wiltshire to deliver person-centred, community-based support.

You will join an established psychology team consisting of:

- 1 x Band 8b Clinical Psychologist
- 2 x Band 8a Clinical Psychologists
- 1 x Assistant Psychologist

The team benefits from regular clinical supervision, peer support and opportunities for continuing professional development.

What We're Looking For

We are seeking a Clinical Psychologist who:

- Has experience working with adults with learning disabilities and complex needs.
- Demonstrates strong skills in assessment, formulation and intervention.
- Is confident working with risk, complexity and behaviours that challenge.
- Can provide leadership, consultation and supervision.
- Is committed to person-centred, evidence-based practice.

Why Join Us?

- Supportive and experienced psychology team.
- Opportunities for leadership and service development.
- Regular supervision and professional development.
- Opportunity to make a meaningful difference to the lives of people with learning disabilities and their families.

Join us and help deliver outstanding psychological support that enables people with learning disabilities to live healthier, safer and more fulfilling lives.
