

Job Title:	Medical Secretary
Reports to (job title):	Care Coordination Manager
Line Manager to:	N/A

Job purpose

The main responsibilities of this role include providing comprehensive administrative/secretarial support to the Consultants and the clinical team. The post holder is expected to effectively manage their workload with the Consultant and clinical team, coordinate activities, and ensure the efficient provision of services, contributing positively to the organisation's work. The post-holder must demonstrate initiative suitable for the role of a Medical Secretary. They should be flexible and proactive in organising their workload based on current priorities and requirements.

As this role involves working across a clinical team with a need to have direct contact, it is unsuitable for agile working and must be conducted at the designated base.

Base

Rochdale Sexual Health Service
Nye Bevan House
Maclure Road
Rochdale
OL11 1DN

Key responsibilities

- Provision of full secretarial service to Consultant and supporting medical team which includes typing letters, reports, non-clinical typing and recording minutes of meetings.
- Filing, scanning and photocopying documents.
- Recording referrals, appointments and related information in a timely manner.
- Accurately transcribe all correspondence and reports by touch typing from audio dictation using knowledge of medical terminology.
- Daily use of Blithe Lilie patient management system, word, various IT packages and departmental databases as required.
- Undertake routine clerical duties including and dispatching mail, photocopying, responding to emails.

- To provide cover in the absence of other administrative staff due to sickness, training or annual leave, with answering the telephone, dealing with enquiries, taking messages and booking appointments.
- The accurate filing of letters and investigations within the appropriate section of the patient electronic record.
- To support the Administration Manager in the day-to-day operational functions of the department and undertake any office duties to ensure the efficiency of the administrative service is maintained at all times
- Manage Subject Access Requests within the timeframe.

This job description is not exhaustive, but is intended to give an overall picture of the role. Other duties within the general scope of the post may be required from time to time. The duties of the post and job description can be reviewed through the agreed process

Proposed job plan

2 days a week at Rochdale Sexual Health Service

Our values

Our values are our moral compass and core to our DNA. They underpin the way we deliver our services and treat those who use our services.

To many organisations values are just words which don't translate into reality of the day to day but our values flow through everything that we do, they define who we are, what we stand for and set the expectations of our colleagues, communities, customers and partners. They have been defined by our colleagues and have been integral to our journey so far and will be integral to our future as well.

We have three values which help us stand out from the crowd, not just because there's only three, but because they are unique to who we are. We care, we think, and we do.

Care

- Inspire
- Understand
- Communicate

Think

- Challenge
- Improve
- Learn

Do

- Accountability
- Involve
- Resilience

Confidentiality and Information Security

As our employee you will be required to uphold the confidentiality of all records held by the company, whether patients/service records or corporate information. This duty lasts indefinitely and will continue after you leave the company's employment.

All information which identifies living individuals in whatever form (paper/pictures, electronic data/images or voice) is covered by the 2018 Data Protection Act and should be managed in accordance with this legislation. This and all other information must be held in line with NHS national standards including the Records Management: NHS Code of Practice , NHS Constitution and HSCIC Code of Practice on Confidential Information and should only be accessed or disclosed lawfully. Monitoring of compliance will be undertaken by the Company. Failure to adhere to Information Governance policies and procedures may result in disciplinary action and, where applicable, criminal prosecution.

Information governance responsibilities

You are responsible for the following key aspects of Information Governance (not an exhaustive list):

- Completion of annual information governance training
- Reading applicable policies and procedures
- Understanding key responsibilities outlined in the Information Governance acceptable usage policies and procedures including NHS mandated encryption requirements
- Ensuring the security and confidentiality of all records and personal information assets
- Maintaining timely and accurate record keeping and where appropriate, in accordance with professional guidelines
- Only using email accounts authorised by us. These should be used in accordance with the Sending and Transferring Information Securely Procedures and Acceptable Use Policies.
- Reporting information governance incidents and near misses on CIRIS or to the appropriate person e.g. line manager, Head of Information Governance, Information Security Lead
- Adherence to the clear desk/screen policy
- Only using approved equipment for conducting business

Governance

Clinical governance is a framework through which organisations delivering health and care services are accountable to continuously improving the quality of their services and safeguarding high standards of care by creating an environment in which clinical and other forms of care flourishes. Employees must be aware that clinical governance places a duty on all staff to ensure that the level of care services they deliver to patients is safe and high quality, and that they follow/comply with our policies and procedures.

Registered Health Professional

All staff who are a member of a professional body must comply with standards of professional practice/conduct. It is the post holder's responsibility to ensure they are both familiar with and adhere to these requirements.

Risk Management/Health & Safety

The post holder has a responsibility to themselves and others in relation to managing risk, health and safety and will be required to work within the policies and procedures laid down by the company. Staff are required to observe the Hygiene Code and demonstrate good infection control and hand hygiene.

Employees must be aware of the responsibilities placed on them by the Health & Safety at Work Act (1974) to ensure that the agreed safety procedures are carried out to maintain a safe environment for other employees, patients and visitors. It is essential to observe strict fire and security precautions at all times.

All staff must report accidents, incidents and near misses so that the company can learn from them and improve safety.

Safeguarding Children and Vulnerable Adults Responsibility

We are committed to safeguarding and promoting the welfare of children and adults at risk of harm and expects all employees to share this commitment.

Medicines Management Responsibility

Nursing or registered healthcare professionals

Undertake all aspects of medicines management related activities in accordance within the company's medicines policies to ensure the safe, legal and appropriate use of medicines.

Skilled non-registered staff

Undertake all aspects of medicines management related activities in accordance with the company's medicines policy where appropriate training has been given and competencies have been achieved.

Policies and Procedures

All colleagues must comply with the Company Policies and Procedures which can be found on the company intranet.

General

We are committed to serving our community. We aim to make our services exemplary in both clinical and operational aspects. We will show leadership in identifying healthcare needs to which we can respond and in determining the most cost-effective way of doing so.

Job Description

We recruit competent staff that we support in maintaining and extending their skills in accordance with the needs of the people we serve. We will recognise the commitment from our staff to meeting the needs of our patients.

The company recognises a “non-smoking” policy. Employees are not able to smoke anywhere within the premises or when outside on official business.

Equal Opportunities

It is the company’s intention to be an employer of choice and ensure that no job applicants or employees are unfairly disadvantaged on the grounds of gender, disability, race, ethnic origin, colour, age, sexual orientation, religion or belief, trade union membership or any other factors that are not relevant to their capability or potential. To this end, the company has an Equality and Diversity policy and it is the responsibility of each employee to contribute to its success.

Flexibility Statement

This job description is not exhaustive and may change as the post develops or changes to align with service needs. Any such changes will be discussed directly between the post holder and their line manager.

Personal Specification

Essential

- Good level of general education including GCSE English or equivalent qualification
- NVQ 4 qualification to diploma level or equivalent experience
- Audio typing qualification

Desirable

- Customer Care training
- ECDL Certificate or equivalent
- Shorthand / speed-writing qualification
- Medical Terminology

Other requirements:

- Competence in using information technology including Word, Excel, PowerPoint, and Email
- Previous experience in managing own workload with the ability to prioritise tasks.
- Good interpersonal skills with experience of liaising effectively with a range of staff (clinical and non-clinical)
- Evidence of providing a competent administration/PA service to a manager / consultant
- Excellent organisational and planning skills
- Ability to work independently, on own initiative without close supervision, and as part of a team
