

Job Title:	Bank Specialty Grade Doctor in Sexual and Reproductive Health
Reports to (job title):	Consultant Clinical Lead / Service Manager
Line Manager to:	N/A

Introduction

HCRG Care Group - Oldham, Bury and Rochdale Sexual Health.

HCRG Care Group's mission is to work with colleagues and service users to deliver exceptional services and to shape the future of health and care. Our purpose is to continuously improve the organisation and services to enable everyone to 'feel the difference'.

Our vision is to empower all people living in Oldham, Bury and Rochdale to enjoy positive sexual health and wellbeing.

Integrated Sexual Health Services provides a range of interventions that enable people to experience healthy sexual relationships.

We require a prevention focused, integrated sexual health service that meets the needs of the local population within the Oldham, Bury and Rochdale local authority areas; a service that will continually improve education, prevention, testing, treatment and support services in response to a changing environment of sexual health and relationship needs.

The service will improve sexual health by delivering a range of interventions across the life course; with a focused direction of travel towards prevention, building resilience and self-esteem, along with consistently promoting healthy choices. The service will provide open and easy access, cost-effective, high-quality provision for contraception and prevention, diagnosis, and management of sexually transmitted infections, according to evidence-based protocols.

Our services provide free information and advice on all types of contraception, STI testing and treatment and psychosexual management. We are a "Level 3" integrated contraception and sexual health service, combining the medical specialities of Genitourinary Medicine (GUM) and Community Sexual and Reproductive Health (SRH). We have three bases in each of the above local authorities. Our service is confidential, non-judgmental and for people of all ages, genders, and orientations.

Job purpose

The appointee must hold the Diploma of the Faculty of Sexual and Reproductive Healthcare (DFSRH) and Diploma in Genitourinary Medicine (DipGUM) or equivalent and meet the person specification for the Specialty Grade.

It is expected that the appointee will deliver clinics for Long Acting Reversible Contraception (LARC), testing and management of Sexually Transmitted Infections including PEPSE and PrEP consultations.

Clinics will consist of booked appointments from other members of the clinical team, referrals from GPs, directly booked patient appointments as well as walk in clinics.

There is no direct in-patient responsibility with this post.

The post is based at Oldham within the Integrated care centre and is supported by 3 consultants (1 FT, 2 LTFT) and a team of experienced specialist nurses and support staff.

Access to appropriate IT systems will be provided in the office/clinical accommodation and administrative support will be available at each of the locations.

Our values

Our values are our moral compass and the core to our DNA. They underpin the way we deliver our services and treat those who use our services.

To many organisations values are just words which don't translate into reality of the day to day but our values flow through everything that we do, they define who we are, what we stand for and set the expectations of our colleagues, communities, customers, and partners. They have been defined by our colleagues and have been integral to our journey so far and will be integral to our future as well.

We have three values which help us stand out from the crowd, not just because there's only three, but because they are unique to who we are. We care, we think, and we do.
