

Job Title:	Emotional Wellbeing Practitioner
Reports to (job title):	Senior Emotional Wellbeing Practitioner/Team Leader
Line Manager to:	

## Job purpose

We are looking for an Emotional Wellbeing Practitioner to join our Early Help Mental Health team in one of our Wiltshire hubs!

You will have the chance to take a lead role in supporting children, young people and their families who need specific mental health interventions focused on agreed mental health outcomes.

The role will be based in one of our Wiltshire hubs, either in Salisbury, Chippenham or Trowbridge. There is the possibility to discuss part-time hours and working patterns at interview stage, however the core working hours are Monday to Friday 9-18:30pm. There is potential for weekend and evening working where appropriate and with negotiation.

## Key responsibilities

- Promote the mental and emotional health of children, young people and families in the community through evidence based clinical interventions while routinely measuring clinical outcomes following these interventions
- Prevent more serious mental health problems in children and young people by early identification of the development of mental health problems in children and young people and delivering goal-based interventions to support their wellbeing or referring to partner agencies where necessary

# Job Description

- •Oversee the development of Wellbeing Coaches and other practitioners within the service
- •Develop psychological formulations for individual patients that contribute towards the overall assessment of their care needs
- •Plan, deliver and review individual and group therapeutic interventions for specific patients
- Identify gaps within and potential developments of the wellbeing programme, reporting these to Emotional Wellbeing Lead.

## Our values

Our values are our moral compass and core to our DNA. They underpin the way we deliver our services and treat those who use our services.

To many organisations values are just words which don't translate into reality of the day to day but our values flow through everything that we do, they define who we are, what we stand for and set the expectations of our colleagues, communities, customers and partners. They have been defined by our colleagues and have been integral to our journey so far and will be integral to our future as well.

We have three values which help us stand out from the crowd, not just because there's only three, but because they are unique to who we are. We care, we think, and we do.

### Care

- Inspire
- Understand
- Communicate

### Think

- Challenge
- Improve
- Learn

### Do

- Accountability
- Involve
- Resilience

## Confidentiality and Information Security

As our employee you will be required to uphold the confidentiality of all records held by the company, whether patients/service records or corporate information. This duty lasts indefinitely and will continue after you leave the company's employment.

All information which identifies living individuals in whatever form (paper/pictures, electronic data/images or voice) is covered by the 2018 Data Protection Act and should be managed in accordance with this legislation. This and all other information must be held in line with NHS national standards including the Records Management: NHS Code of Practice , NHS Constitution and HSCIC Code of Practice on Confidential Information and should only be accessed or disclosed lawfully. Monitoring of compliance will be undertaken by the Company. Failure to adhere to Information Governance policies and procedures may result in disciplinary action and, where applicable, criminal prosecution.

## Information governance responsibilities

You are responsible for the following key aspects of Information Governance (not an exhaustive list):

- Completion of annual information governance training
- Reading applicable policies and procedures
- Understanding key responsibilities outlined in the Information Governance acceptable usage policies and procedures including NHS mandated encryption requirements
- Ensuring the security and confidentiality of all records and personal information assets
- Maintaining timely and accurate record keeping and where appropriate, in accordance with professional guidelines
- Only using email accounts authorised by us. These should be used in accordance with the Sending and Transferring Information Securely Procedures and Acceptable Use Policies.
- Reporting information governance incidents and near misses on CIRIS or to the appropriate person e.g. line manager, Head of Information Governance, Information Security Lead

# Job Description

- Adherence to the clear desk/screen policy
- Only using approved equipment for conducting business

## Governance

Clinical governance is a framework through which organisations delivering health and care services are accountable to continuously improving the quality of their services and safeguarding high standards of care by creating an environment in which clinical and other forms of care flourishes. Employees must be aware that clinical governance places a duty on all staff to ensure that the level of care services they deliver to patients is safe and high quality, and that they follow/comply with our policies and procedures.

## Registered Health Professional

All staff who are a member of a professional body must comply with standards of professional practice/conduct. It is the post holder's responsibility to ensure they are both familiar with and adhere to these requirements.

## Risk Management/Health & Safety

The post holder has a responsibility to themselves and others in relation to managing risk, health and safety and will be required to work within the policies and procedures laid down by the company. Staff are required to observe the Hygiene Code and demonstrate good infection control and hand hygiene.

Employees must be aware of the responsibilities placed on them by the Health & Safety at Work Act (1974) to ensure that the agreed safety procedures are carried out to maintain a safe environment for other employees, patients and visitors. It is essential to observe strict fire and security precautions at all times.

All staff must report accidents, incidents and near misses so that the company can learn from them and improve safety.

## **Safeguarding Children and Vulnerable Adults Responsibility**

We are committed to safeguarding and promoting the welfare of children and adults at risk of harm and expects all employees to share this commitment.

## **Medicines Management Responsibility**

### **Nursing or registered healthcare professionals**

Undertake all aspects of medicines management related activities in accordance within the company's medicines policies to ensure the safe, legal and appropriate use of medicines.

### **Skilled non-registered staff**

Undertake all aspects of medicines management related activities in accordance with the company's medicines policy where appropriate training has been given and competencies have been achieved.

## **Policies and Procedures**

All colleagues must comply with the Company Policies and Procedures which can be found on the company intranet.

## **General**

We are committed to serving our community. We aim to make our services exemplary in both clinical and operational aspects. We will show leadership in identifying healthcare needs to which we can respond and in determining the most cost-effective way of doing so.

# Job Description

We recruit competent staff that we support in maintaining and extending their skills in accordance with the needs of the people we serve. We will recognise the commitment from our staff to meeting the needs of our patients.

The company recognises a “non-smoking” policy. Employees are not able to smoke anywhere within the premises or when outside on official business.

## Equal Opportunities

It is the company’s intention to be an employer of choice and ensure that no job applicants or employees are unfairly disadvantaged on the grounds of gender, disability, race, ethnic origin, colour, age, sexual orientation, religion or belief, trade union membership or any other factors that are not relevant to their capability or potential. To this end, the company has an Equality and Diversity policy and it is the responsibility of each employee to contribute to its success.

## Flexibility Statement

This job description is not exhaustive and may change as the post develops or changes to align with service needs. Any such changes will be discussed directly between the post holder and their line manager.

## Personal Specification

### Essential

- You will hold a relevant qualification. This could include psychological wellbeing practitioner, Registered Mental Health Nurse, Clinical Psychology, PGCe, Counselling or an undergraduate certificate in delivering evidence-based low intensity interventions.
- It is preferable to have a minimum of 2 years' experience working in the relevant field of mental health practice. However, support such as decider skills training can be discussed where required.

Due to the nature of this role, a driving licence and access to a vehicle is required.
